ABOUT IDEALEASE & OUR LEASE RETURN TRUCKS:

Our used truck department features Idealease Premium Used Trucks. Idealease trucks have been owned and maintained by Idealease, our leasing company, since they rolled out of the plant and into the world. All Idealease Premium Used Trucks came from either our full service lease fleet or our rental fleet. In either case, Idealease has been responsible for all truck maintenance since Day One. We've been responsible for meeting every PM interval, D.O.T. inspection, and recommended manufacturer's maintenance schedule. We've been their only owner and we've treated them accordingly. And we've got the maintenance records to prove it.
